PITTSFIELD, VERMONT

Annual Town & School District Report

For the Year Ending - FY23

STATEMENT OF THE AUDITORS

In accordance with Sections 1681 and 1682 of Title 24 V.S.A. (Vermont State Article), we have inspected and reviewed bank statements, work orders, disbursements, and check details on a monthly basis for the Town of Pittsfield for the fiscal year ended June 30, 2023. Based on the material reviewed, we conclude that the figures accurately present the financial condition of the Town and the funds in the year ended.

The Auditors would like to thank the Town Clerk/Treasurer, the Select Board, the School Directors, and Town Officials for their professional work ethic and commitment to serving the Town of Pittsfield as well as their contributions to the Town Report.

Respectfully submitted,

ABOUT THE COVER

The artist, John Kennedy retired to Pittsfield in 1985, where he lived until 2004, when he and his wife, Helen, moved to Windsor to be near his daughter. He died in 2013.

Mr. Kennedy was working in Advertising Design in New York City until the start of World War II, when he enlisted in the US Army. He was selected to be in the 603rd Engineer Camouflage Battalion, (23rd). He was part of a unique unit of soldiers who helped create illusions/camouflage to deceive the German Army like D Day and the Battle of the Bulge. After the war, he graduated from the Philadelphia Museum School of Art in 1948 with a degree in Advertising Design. He then had a long career as an Art Director.

When he moved to Vermont, he also continued his cartooning art. Some were featured in The Saturday Evening Post and in a weekly series in the Herald of Randolph called "Local Color." John enjoyed life in Pittsfield, he created this drawing on the cover and others to commemorate the community he loved.

Little is known about the Pittsfield Bandstand, which is also called the Gazebo. Pittsfield actually had a band that consisted of about 17 members that was active between 1850 and 1860. The band disbanded because of the Civil war (source/book: A Glimpse of the Past, Pittsfield, VT by Catherine S. Davis and Dawn D. Hance).

New England town greens established in the 18th century, or village greens as they're more commonly known today, were thought to have been used for militia training, the grazing of livestock, and, at times, public punishment (source: Yankee Magazine). Our beautiful village green adds a special esthetic value to our town and is a place for the community to gather.

PITTSFIELD SELECT BOARD ANNUAL REPORT

Dear Friends and Neighbors,

The Pittsfield Select Board is pleased to report that all of the metrics we use for measuring the Town's fiscal health remained strong throughout the 2023 Fiscal Year and should carry us through the current budget year. In FY 2023, we were able to balance all of our financial obligations with the revenue we anticipated receiving; our debt level remained low; we completed a number of infrastructure investments; and updated and certified the Town Plan and Village Center designation which make the town and certain property owners eligible for economic development tax credits and grants and maximum state funding in emergencies.

One metric we couldn't foresee was last summer's disastrous floods. But lady luck and previous investments in flood mitigation measures helped Pittsfield escape unharmed. Unfortunately, the floods caused serious property damage and budget constraints for our neighbors to the north and south.

Infrastructure Improvements:

- Sand Shed: Although construction of the Sand Shed was completed in October 2022, it took a year to negotiate a settlement of an expensive construction change order and close out the project to receive our last grant reimbursement. The Sand Shed's final cost to the town was \$90,861 leaving \$14,602 in the Sand Shed Reserve. An Article on the Warrant asks voters to close the account and reallocate the funds to the Recreation Fund Reserve.
- **Bandstand:** The bandstand was prepped and painted inside and out and new permanent steps that met safety codes were installed. Worn-out holiday decorations and lights were replaced. Thank you to volunteers Kim Barber and Candace Kadamik who kept the flower boxes on the bandstand filled with seasonal beauty and Jeff Bissell, Phil and Odette Lipari, Lucy and Richard Gaston and Herb Kuendig for putting up the decorations.
- **Town Garage:** The Town Garage got new windows (and framing that had rotted), new metal siding and new LED lighting to help reduce energy use.
- *Village Green:* New picnic tables were added. Patty Haskins and Sarah Gallagher, with the help of Parks Commissioner Connie Martin, dug out tree roots and refurbished the flower beds. Thank you for volunteering every summer to maintain flowers on the Green.
- *Fire Station:* Asphalt landing was installed in front of the garage doors to reduce mud and make it easier for firefighters to put away hoses.
- Town Office: All fire alarm emergency light fixtures were replaced with longer lasting LED units.
- **Town Hall:** Shelter and major tasks of the Building Committee were completed. (see the PTHBC report for details.) We owe a debt of gratitude to members Herb Kuendig, Ray Colton, Jeremy Raynor, Glenn Reinauer, Mike Moran and Richard Gaston (many of them have been involved in the renovation project for the last four years.)

Budget Deliberations & Capital Investments:

- Current FY 24 Budget: All of us in town government and services are still getting used to the new
 deadlines and considerations that come with switching to a fiscal year from a calendar year. Total
 budget expenditures appear to be on target with what we budgeted for in FY24. At the half year
 mark, monthly reports from Treasurer Trish Abbondelo tell us that we are unlikely to end the year
 with a deficit.
- Investments & Revenue Sources: Upon recommendation from Trish, we approved a more aggressive investment strategy to take advantage of rising CD rates. This fiscal year, we have invested \$445,000 from some of our reserve accounts twice in short term CD's netting \$9,530 in interest so far. We are also pursuing as many state grants as we can, successfully applying for \$4,000 towards the hiring of an energy consultant and are scheduled to receive a free

comprehensive energy audit of Town Office. Last December, we leveraged a grant from the Municipal Technical Assistance Program to fill out the application for another state grant that we hope to use to solicit ideas and professional designs for a reimagined recreation area behind the Town Buildings. This fiscal year, the Board also allocated an additional \$15,707 from the Pittsfield Rescue Plan recommendations, mostly for expenditures to complete the Town Hall shelter.

FY 25 Budget

- **Spending:** Having actual spending data for the previous 18 month budget cycle, made it easier to forecast funds needed to run the town in FY 25. You'll find the largest spending increases are in those line items which are susceptible to market forces beyond our control like fuels, road materials, maintenance and service contracts. The Town Clerk/Treasurer, Assistant Clerk/Treasurer, Listers and Librarian received a 3.5% salary increase. Auditors hourly rate was increased to \$15.00.
- Surplus Funds for One Time Expenditures: In the last three municipal budgets, the Board has been conservative in spending down surpluses created by moving from a calendar to a fiscal year. This is a strategy so we don't see wild fluctuations in the tax rate (up or down) from year to year. In FY 25 we adhered to the same principal, using undesignated funds to pay for one-time expenditures like deposits into the reserve accounts, capital improvement projects and our rainy-day Contingency Fund. You will find a listing of these expenditures in the budget under Budget Disbursements.

Our financial outlook would have been even rosier, but for two events this past year. One week before Freshcoat Paving out of Barre was scheduled to renovate the basketball court and put down an asphalt berm around the perimeter, the company backed out of the commitment we agreed to the previous fall. We still have over \$12,000 available in a 50/50 matching state grant that we won in 2022, but the project must be completed by Fall 2024 or we will lose the grant. We also lost out on a \$440,000 grant from the federal Aid to Firefighters grant program for the new fire truck, but we intend to update the application and resubmit when the next funding round opens this year.

If a community's success is also judged by the commitment of volunteers who devote their time and energy towards the mutual goal of making Pittsfield a vibrant place to live, work and play, then we hit the jackpot since our last Town Report. More volunteers, both retired and those just starting their careers, have joined the effort to help provide services, preserve community traditions and bring new vision to our future goals and endeavors. Our heartfelt thanks to all who serve our Town.

Respectfully Submitted,

Pittsfield Select Board

TOWN CLERK & TREASURER REPORT

FY 23

I would like to start by thanking everyone who supported my reelection to the positions of Clerk and Treasurer. I am thrilled to continue in these roles as I truly love what I do each day!

Just about 1 year ago we welcomed a new face to the Town Office, Randy Strong. Randy resides in Pittsfield with his wife and daughter. He joined the team as my assistant and is currently working Tuesdays and Thursdays. He has been a wonderful addition to the office, and I am thrilled to have such a dedicated individual working alongside me! Randy has learned so much in the last year and has developed many strengths, one being document recording. This is a very important, detailed orientated and tedious process within the Town Office which takes much time and attention! I am thrilled that Randy has come to truly enjoy and master this process.

I am happy to report that we have successfully completed and closed out our first fiscal year for the town. The transition from calendar to fiscal year had very few bumps in the road. Certain things are still budgeted in a calendar year such as all insurances, county tax, NEMRC contracting, employee taxes and retirement. Minor budget adjustments are calculated in these categories.

You will find that this year's Explanation of the Grand List report mirrors the report that was submitted to last Town Report. The taxes that were paid in fall of 2023 will be reported on the FY24 report which will be March of 2025. The new reporting periods may be a bit to get used to, please feel free to stop in with any questions that you may have.

Randy and I are currently seeking information and pricing to continue the journey to record digitalization. It is a long and costly process. With Pittsfield being such a small town, we are weighing the pros and cons of moving forward with this process. We plan to present our findings to the Select Board this year. As always, any questions or feedback is welcomed.

Thank you all for your continued support, I wish you a safe and happy year ahead!

Respectfully submitted,

Tricia L. Abbondelo Town Clerk & Treasurer

And Enzo!

Article 3. Will the voters of Pittsfield authorize all current taxes be paid to the Treasurer unless otherwise noted? A motion was made to approve this article by Mike Moran and seconded by Sue Wuerthele. No Discussion. Ann Kuendig moved we approve article, seconded by Sandy Begin. Voice vote, all in favor, article approved.

Article 4. Will the voters of Pittsfield authorize the Treasurer to collect taxes on real property in two installments, on or before the third Thursday of August and the third Thursday of November, by physical delivery to the tax collector by 5pm? A motion was made by Jennifer Howard, seconded by Sue Wuerthele, to accept this article. A point was made by Marsha Hopkins regarding the number of installment payments asking for change. Joyce replied that we are waiting to get through the full year of our first fiscal year budget schedule and that after that time discussion can be had. Sue Wuerthele asked if at that time can we consider stretching out the payments, so they are not as close together. Ann Kuendig replied that we can look at that based on when payments are due by the town. Erica Hurd made a motion to approve the article seconded by Sue Wuerthele. Voice vote, all in favor, article approved.

Article 5. Will the voters of Pittsfield deposit \$70,000 in the PVFR Truck Fund? Herb Kuendig made a motion to accept this article, seconded by Mike Moran. Discussion, Jennifer Howard asked to hear what their thoughts are on that, George asked Fire Department to speak. Dave Colton explained that the Select Board helped them set up a capitol fund so when they get their next truck there is not a big loan. Sandy Begin would like to know when they are getting another truck. It was explained that they are on a five-year capital plan and are planning on getting a mini pumper rescue by Ann Kuendig. She went onto explain how much money was in the fund thus far. Mike Moran asked about the money going into a CD. It was explained that we were waiting on the rates to go up and that yes, we can do that. A motion to approve the article was made by Sue Wuerthele and seconded by Jennifer Howard. Voice vote, all in favor, article approved.

Article 6. Will the voters of Pittsfield deposit \$25,000 for Highway Department Building Maintenance? Martha Beyersdorf made a motion to accept this article, seconded by Sue Wuerthele. George explained this money would be used for siding and windows on the original building with a bid received for just under \$25,000. Erica Hurd made a motion to approve the article, seconded by Sue Wuerthele. Voice vote, all in favor, article approved.

Article 7. Will the voters of Pittsfield approve closing the Bridge Reserve Fund and transfer the remaining balance to the Parks and Grounds Reserve Fund? Erica Hurd motioned to accept the article and seconded by Sue Wuerthele. Discussion about what the bridge fund was set up for, Ray Colton explained it was opened as a fund similar to what we do for Highway that we just approved but used for bridges. There is just over \$1,100.00 in the fund and Ann Kuendig explained we'd like to purchase picnic tables and benches. Erica Hurd motioned to approve, seconded by Jennifer Howard. Voice vote, all in favor, article approved.

Article 8. Will the voters of Pittsfield approve the proposed 12 -month budget beginning July 1, 2023, to meet the expenses and liabilities of the town? Sue Wuerthele motioned to accept this article,

seconded by Randy Strong. Discussion, Ray Colton asked how taxes would compare to last year? Ann Kuendig answered \$.02 less with operating budget, with warned items \$0.4774. Patty Haskins commented on the Grand List being estimated, the Listers choose to do an estimated number as explained by Betty Warner. Jeremy Rayner motioned to approve, seconded by Herb Kuendig. Voice vote, all in favor, article approved.

Article 9. Will the voters of Pittsfield authorize the Select Board to buy and sell real estate? Jennifer Howard motioned to accept this article, seconded by Erica Hurd. No discussion. Sue Wuerthele motioned to approve this article, seconded by Marth Beyersdorf. Voice vote, all in favor, article approved.

Article 10. To discuss any non-binding business which may come before the meeting? Sandy Begin motioned to accept this article, seconded by Sue Wuerthele. Betty Warner wanted it clarified if the community cares about the Fall event, if it does continue it will need new leadership. She posed a question, Is the event important to you? Many answered yes. Coral Hawley asked can it go back to what it was, happen organically? Betty replied that is a question for the new leadership. Ann Kuendig asked if there was money made? Betty replied that the PVFR and RCML did well, PCC had donations to cover face painters and musicians.

Sue Wuerthele asked about where the money came from for the Sand Shed and it was explained it came from a Federal Grant.

George commented on how Trish Abbondelo has been running the office alone for over a year and has now hired an assistant, introducing Randy Strong.

Micheline Bissel inquired about speed signs, we are waiting on State of VT to install the poles, explained Joyce Stevens, they will be located by the 35mph sign by the bridge.

Ann Kuendig updated on the Town Hall project, Ray Colton commented on everything that has been done so far is paid for, no debt and thanked Sandy Begin for the Mark Begin Town Hall Fund which is made up of donations from after Mark had passed.

With no further business to discuss George moved to adjourn the 2023 Town meeting at 7:26pm.

Minutes of the Annual School Meeting Town of Pittsfield Tuesday March 7, 2023

Article 1. To elect a Moderator for the year ensuing. A motion was made by Sandy Begin to accept this article and seconded by Jen Howard. A motion was made by Dave Colton and seconded Mike Moran for George Deblon. Voice vote, all in favor. George Deblon School Moderator for one year. Tricia Abbondelo administered George Deblon his Oath of office.

Article 2. To hear and act upon the auditor's report. A motion was made by Sandy Begin, to accept this article, seconded by Jeremy Rayner. No discussion. A motion was made by Jennifer Howard and seconded by Sandy Begin to approve this article. Voice vote, article approved.

Article 3. To see if the Pittsfield School District will vote to pay taxes in the same manner as the **Town.** A motion was made by Sue Wuerthele to accept this article, seconded by Jen Howard. No Discussion. A motion was made to approve this article by Sandy Begin, seconded by Joyce Stevens. Voice vote, article approved.

Article 4. To hear reports of the school Directors. A motion was made by Erica Hurd to accept this article, seconded by Ann Kuendig. Kris Sperber asked to amend/make a correction to the report, second to last paragraph incorrect \$1.0147 Homestead tax rate adjusted by our common level of appraisal (CLA) to \$.9787, confirming this as our tax rate and stating this is correct everywhere else in the Town Report. A motion was made to vote on the amendment, seconded by Jeremy Rayner. Erica Hurd asked why we do not see a listing of where the children go to school, Kris replied that they just did not put it in, went onto explain we have kids in Killington, Woodstock, Stockbridge, Randolph Rutland City, Barlow, Christ the King, Mt Saint Joseph and a handful of other independent schools. There are 44 kids K-12 and 4 or so in pre-k. Ann Kuendig asked if we had any kids going out of state that we have to pay the tuition for, Kris replied yes we pay state average tuition to any independent school that has been approved by the State of Vermont no geographical limitations, also noted state average is lower than our in state schools. Kris went onto give some of next year's tuition rates. Reminding that it is a very small amount of out of state and being thoughtful to privacy. Jennifer Howard motioned to approve this article, seconded by Randy Strong. Voice vote, article approved.

Article 5. Shall the voters of the Pittsfield School District approve a total budget in the amount of \$994,945.00 for the 2023-24 school year. It is estimated that this proposed budget will result in education spending of \$14,656.00 per equalized pupil. This projected spending is 5% higher than spending for the current year.

A motion was made to accept this article by Sandy Begin, seconded by Ann Kuendig. Kris reminded us that we can see the budget on page 41 along with previous years, explaining we are relatively level a bit up. They have overbudgeted a bit the past few years, with less special ed expenses and children moving in and out, there is a surplus of \$100,000 we are spending down. Marsha Hopkins is asking about the equalized pupil rate not transferring to next page. Kris explained about the scrambling at the end before going to press due to reappraisal and CLA and admitted that Marsha just found a mistake on the warning. Equalized pupil should be \$15,706.24, Kris Sperber moved to make the amendment on the warning. Sue Wuerthele asked if the 5% budget changed and Kris Sperber said it does not. Caleb Hawley seconded the amendment, voice vote, amendment approved. Jeremy Rayner motioned to accept article as amended, seconded by Ann Kuendig, voice vote article passed.

Article 6. To elect a School Director for a three-year term. A motion was made to approve this article by Sandy Begin seconded by Sue Wuerthele. A motion was made by Kris Sperber for Ray Rice, seconded by Caleb Hawley. Voice vote, all in favor, Ray Rice School Director for three years.

Article 7. To do any other proper or necessary business. A motion was made to accept this article by Sue Wuerthele and seconded by Jennifer Howard. Kris let all know that the non-homestead rate would be \$1.41.

Ray Rice wanted all to know that Chloe Massillo won the State Championship SL race for high school! Don Marshall spoke about a club he would like to start, The Pittsfield Telemark Skiing Club!

With no other business, the 2023 School meeting was motioned to be adjourned by Sandy Begin, seconded by Joyce Stevens at 6:48pm.

PITTSFIELD BOARD OF LISTERS

The Board of Listers' role is to see that Pittsfield's Grand List is maintained, updated, and reported on in a timely way and in accordance with Vermont law. We do this while also working and exchanging data with both the VT State Tax Department and our own Pittsfield Town Clerk's office.

Property values in Pittsfield increased from \$126,934,300 to \$127,927,000 as of 4/1/2023. There were no property value grievances or current use valuation grievances filed this year.

It is important that grand list values reflect all changes to buildings on a property. New construction, additions, and removal of outbuildings should be reviewed and inspected each year to calculate any changes in value. Determining what inspections need to happen relies on three factors. First, properties that are flagged as incomplete in the database will be revisited. Second, we rely on the goodwill of property owners to advise us of any additions. Third, we rely on observations made while driving around town in the spring.

Some facts about the Pittsfield grand list:

TYPE OF PROPERTY	NUMBER OF PROPERTIES	LISTED VALUE
Residential	332	106,795,000
Mobile Home	8	798,900
Seasonal	31	3,113,600
Commercial	14	6,294,400
Commerical Apts	2	551,900
Industrial	2	1,056,000
Utilities	1	1,920,700
Various land only	114	7,396,500
TOTAL	504	127,927,000

PLANNING COMMISSION ANNUAL REPORT

In January of 2023 the final draft version of the updated Town Plan was sent to the Select Board for their edits and approval. The Select Board edited and completed the open items in the Plan Document and held their warned public hearing prior to approval. Once the document was approved it was forwarded to Two Rivers Ottauquechee Regional Planning Commission for their review and approval. On May 24, 2023 the newly updated Town Plan was regionally approved, meeting all required criteria. Many thanks need to go out to all those that participated in this long process; which included long hours of collaboration and ensuring all regulatory statutes and requirements were met.

In the coming year, the Planning Commission is hoping to hold educational seminars on climate resilience and what we as a community can do to decrease our carbon footprint. The Planning Commission will also be working on our action items noted in the Town Plan as part of our requirements to ensure the document continues to represent Pittsfield's vision for the next 7 years.

The Planning Commission meets on the second Tuesday of the month, January, April, July and October unless additional meetings are required. The Commission will once again be looking for volunteers to fill outgoing seats. Public input is important and all are welcome at meetings and as volunteers.

Respectfully Submitted,

Marsha Hopkins, Jennifer Howard, Ryan Thompson, Vaughn Micciche and Mark Stugart

PITTSFIELD TOWN HALL BUILDING COMMITTEE REPORT

The Pittsfield Town Hall Building Committee is pleased to report that by the time you read this, our work will be completed on bringing Town Hall back to life.

What began in 2019 as an exploratory committee to determine the buildings future, has ended four years later with a total basement renovation; major structural, utility, electrical and fire alarm upgrades and a safe and welcoming front entrance and exterior.

Over the years, taxpayers allocated approximately \$120,000 in funding towards the project. The committee raised another \$10,000 in donations and was awarded \$77,178 in American Rescue Plan funding by the Select Board. Although the final project accounting is still being completed, here's what the committee delivered for the money:

- Steel beams to support first floor
- Exterior trench drain around front and side
- New front block foundation
- Waterproofed foundation
- Propane fueled generator (powers both Town Hall and Town Offices)
- New on-demand hot water heater
- New wastewater pump & kitchen plumbing
- New kitchen gas line hookups
- New oil tank
- New heater duct work
- New basement windows
- Media-blasted and stained exposed ceiling
- · Preserved historical light fixtures
- New cabinets & countertops
- Insulated all basement walls
- New basement drywall (primed & painted by volunteers)
- New trim and two basement doors
- Built enclosed storage area with sliding barn doors
- New electrical & fire alarm system
- New light fixtures
- Two first floor heat pumps for heating and cooling
- New siding and either PVC trim or painted trim and soffits front and side
- New front steps that meet accessibility codes with double handrails
- New front door and frame
- New side entrance basement door
- New outdoor motion sensor light fixtures
- Moved main power connection to side

The Committee was able to hold down costs by acting as general contractors, breaking down the scope of work plan into manageable projects, getting estimates and bids, hiring contractors and often times doing work ourselves, be it demolition, carpentry, painting, cabinet installation and clean-up.

Our gratitude goes to Jeff Bissell and Phil Lipari who volunteered to help paint, Roy Hapgood and Cheryl White who donated the stainless-steel refrigerator, gas stove, dishwasher and microwave, former

committee members Carl Oetel, Tim Carter and Henry Haefner and George Deblon, Gordon Gray, Charlie Howard and Dave Colton who donated their services for free or reduced costs.

Finally, committee members wish to thank all of the Townspeople who supported us and believed in our efforts to restore Town Hall as the showpiece of our community. We hope Pittsfield residents and property owners enjoy their new meeting space and know the building is there for you as a shelter and cooling center in times of an emergency.

Respectfully,

Mike Moran, Glenn Reinauer, Ray Colton, Jeremy Rayner, Herb & Ann Kuendig and Richard Gaston

PITTSFIELD ZONING ADMINISTRATOR REPORT DECEMBER 2023

Greetings Pittsfield! As many of you know, Pittsfield adopted Flood Hazard Regulations requiring review and permitting of development in certain areas of town near water. Please see our Town Webpage for more information, maps and forms. http://www.pittsfieldvt.com/building--zoning-permits-forms-applications.html

In 2023 Pittsfield's Zoning Administrator received three requests for information from prospective developers/property owners regarding application of zoning laws and hazard mitigation rules to their proposed developments. Each inquiry was responded to promptly and relevant information was provided to the developer/property owner by the Zoning Administrator.

In 2023, the Zoning Administrator approved two permit application requests after reviewing the required information provided by applicants.

Please contact the Zoning Administrator through the Town Office with any questions or concerns you may have regarding development and hazard mitigation in Pittsfield.

Thank you for this opportunity to serve as your Zoning Administrator.

A.J. Ruben, Zoning Administrator December 2023

A Note About Dog Licenses

Any dog that is more than six months old must be registered and licensed annually, on or before April 1st, by the Clerk of the Municipality in which the dog is kept. (20 VSA § 3581(a))

To obtain a license the dog's owner must pay a fee, present the Clerk with a current vaccination certificate, and in the case of a spayed female or neutered male dog, provide a certificate of sterilization from a licensed veterinarian. (20 VSA § 3581(b), (d))

The New Vital Records Law (Act 46) and What It Means for You

The Vermont Legislature passed Act 46 in May 2017, which significantly changes the state laws that govern vital records –namely, birth and death certificates. The new law and rules will enhance the safety and security of birth and death certificates, provide better protection against misuse of these legal documents, and reduce the potential for identity theft. Additionally, the changes streamline the entire statewide system for creation, storage and tracking of birth and death certificates. Act 46 will impact anyone who seeks a copy of a Vermont birth or death certificate.

These changes went into effect on July 1, 2019

East Central Vermont Telecommunications District

www.ecfiber.net

ECFiber AND THE TOWN OF PITTSFIELD

Pittsfield is a member of the East Central Vermont Telecommunications District, the state's first communications union district (CUD), whose mission is to provide world-class fiber-optic based internet service to all on-grid homes and businesses in its member towns. The District consists of 31 member towns, and owns the business which operates under the trade name ECFiber. The business added over 800 new customers despite critical labor shortages, and now serves over 8,500 customer locations via 1,700 miles of network, which, when fully built out, will bring fiber-to-the-premises (FTTP) to about 32,000 premises over more than 2,000 miles network.

In June, ECFiber celebrated the completion of its original 23 town network when it activated its operation center in White River Junction. In August, the District was awarded a \$13 million construction grant that will support the first three or four stages of its \$30 million, nine stage, network completion plan. In November, its Series 2023A municipal revenue bond received a "BB" rating from Standard & Poor's Global Credit arm, a historic moment in US financial history: the first time a municipal revenue bond not backed by taxes, and not for a regulated utility or exclusive service territory, received a rating. This was extended to the six earlier bonds as well.

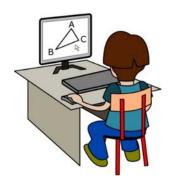

The ECFiber network is complete in our town. We invite you to visit our website to learn more about ECFiber, and encourage you to subscribe. You won't be charged anything until we start service.

The District contracts with Great Works Internet (GWI) of Vermont to operate the business. The biggest challenges we face now are not funding, but rather finding enough folks to construct the networks – people who know how to operate bucket trucks, splice fiber while 40 feet above the ground, and be willing to work outside in difficult weather. ECFiber is actively participating in state and regional workforce development efforts. If you are or know of someone who may be interested in these well-paid jobs, please let us know!

We invite you to visit our website to learn more about ECFiber, and encourage you to subscribe. You won't be charged anything until we start service.

Respectfully submitted,

Elizabeth Warner, Pittsfield Delegate to the ECFiber Governing Board pittsfield@ecfiber.net | www.ecfiber.net | 802-ECFiber

ENHANCED 9-1-1

Did you know that the Vermont Enhanced 9-1-1 Board is one of the first to implement a next generation statewide 9-1-1 system that delivers 9-1-1 calls from the Public Switched Telephone Network (PSTN) to a Public Safety Answering Point (PSAP) using Voice Over Internet Protocol (VoIP) over its Emergency Services Network (ESINet)? Too much information? Probably, but if needed, your call will be initially routed to one of six Public Safety Answering Points (PSAPs) throughout the state based on the originating caller's location using this system.

Things Everyone Needs to Know to Be 911 Ready

In an emergency, seconds matter; being prepared can make a difference! Talking through scenarios with other family members can help you Be 911 Ready!

Know when to use 911 - Call or text 911 in an emergency: to save a life, stop a crime, or to report a fire. If you or someone else is hurt or very sick, call 911. If you're not sure if your situation is an emergency, err on the side of safety and call 911. The call-taker can assess the event and guide you.

Know your location - Emergency responders can't help you if they don't know where you are. Train yourself to pay attention to your surroundings. Make a mental of note of streets you're travelling on and addresses you visit. Make sure everyone in your home knows your street address.

Know your phone - Not all phones and devices provide the 911 call-taker with your location information. Landline phones will provide your location to the call-taker, but cell and VoIP phones may not. Contact your service provider for more information about the capabilities of your phone.

Remain calm - It may be hard to remain calm during an emergency, but when you do so, you make it easier for the call-taker to gather your information and get the right help on the way.

Don't hang up - If you have placed an emergency call to 911, stay on the line until the call-taker tells you it's ok to hang up. They can dispatch help even when you are still on the line and they may require more information or be able to provide you with assistance.

If you've called 911 by accident, it's important to let the call-taker know. If you hang up suddenly, the call-taker may call you back or may even send someone to your home to check on your safety.

Have you posted your house number in a visible location? If not, please take the time to obtain numbers and make sure that the house number is placed in a spot that can be easily seen by emergency personnel. Here are some helpful guidelines:

- Mark your mailbox with your house number.
- > If the structure is not visible and there is no mailbox, a sign or number post should be erected to display the number where it can be seen by responders.
- Numbers should be at least 3 inches high x 2.5 inches wide and be reflective.
- Shared driveways should be marked at the beginning of the driveway where it meets the main road *and* where the driveway splits.
- In Vermont, it is also very important that the address number be placed high enough that it will not be obscured by snow during the winter.

You can find out more information about Vermont 911 by visiting their website: e911.vermont.gov

If you need assistance with your street address, please email the E911 Coordinator for the town of Pittsfield Michelle Hunt: michelle.c.hunt@vermont.gov

PCC PITTSFIELD COMMUNITY CONNECTIONS

PITTSFIELD VT COMMUNITY CONNECTIONS

www.pccvt.org

Pittsfield VT Community Connections, better known as PCC, is an umbrella organization that can encompass people working in small groups on a variety of events or projects for the benefit of our community.

2023 was PCC's fourth year. In late 2021, Pittsfield VT Community Connections (PCCVT) was formed as a Vermont non-profit corporation. In early 2022, the IRS determined PCCVT

to be a 501c3 non-profit organization which allows donations to PCCVT to be tax deductible. The stated purpose of PCCVT is to improve access to resources, improve social cohesion, and improve the quality of life for residents of Pittsfield, Vermont through community organization, encouragement of volunteerism, and the production and promotion of community events.

	PCC YEAR IN REVIEW
JAN 2023	Holiday Season Decorating. Continued holiday season winter decoration.
JAN 2023	Pittsfield Community Ice Rink. A group of volunteers continued to keep this going through the winter season. Weather is always challenging. This group kept the ice available for many to enjoy through the winter.
VARIOUS	Art In Our Hearts: Pittsfield. A few events were organized by Suzanne Ellis and occurred early in the year.
SPRING 2023	Pretty Up Pittsfield. A small project group continues. They organized to add more plantings on the town green and added flower boxes to the Bandstand. An early goal was to expand the effort along Route 100. More volunteers are needed to grow the effort.
JUL 2023	Patriotic Seasonal Decorations. Red, White, and Blue Bandstand decorating.
OCT 2023	Quinn Town Halloween Celebration. Created a Halloween display in the Bandstand as we, once again, participated in the Quinn Town Halloween Celebration.
NOV 2023	Project Happy Holidays. Cindy Bryant organized participation in the Bethel Area Project Happy Holidays giving community members an opportunity to donate toys, food, and money to local families in need.
DEC 2023	Winter Holiday Season Decorating. Decorated the Bandstand for the winter holiday season.
DEC 2023	Holiday Tree Lighting. Organized an event including a visit from Santa on a firetruck. This year, instead of staying warm by the fire pit while drinking hot chocolate folks stayed dry in town hall before going out to light the tree. Carrie Kohl led a sing-along prior to the tree being lit.
DEC 2023	Pittsfield Community Ice Rink . A group of volunteers organized by Coral Hawley went to work to get the ice rink in place for the upcoming season installing a new liner.
Ongoing	Maintain Pittsfield Business Directory

There are many who have helped with all of these efforts that have not been named here. If you are one of them, know that every single effort, big and small, is necessary and appreciated.

The PCCVT Board meets quarterly. All are welcome.

The 2023 call volume seemed to be average with motor vehicle accidents leading our calls. We had to implement our "Jaws of Life" rescue tools to extricate a driver involved in a motor vehicle accident. It's comforting to know that we have these invaluable tools at our disposal when/if the need arises.

The Department managed the Pittsfield Bazaar in the fall of 2023. The event had twenty-nine (29) vendors, and Susie Martin said that she thought it was a record for vendor attendance! The day went smoothly and seemed to be enjoyed by the numerous attendees! We were able to raise \$6,347 at this event, and we collected another \$4,281 at our annual

coin-drop over Columbus Day weekend! We appreciate all the support and donations, as these funds help our department purchase items that might otherwise increase the Town budget.

Paving was completed in front of the Fire Station. So far, it is working as planned to keep the water draining properly; and the Station is much cleaner!

Last spring, the Department with the Town's approval, ordered a truck to replace the Rescue Truck and Engine 4. The new truck will serve as a Rescue/Mini-Pumper vehicle for the Department. It will take two (2) plus years to complete the build of this vehicle, and the Department will be working to secure funding for it during that time. The Select Board felt it prudent to order the truck last spring and work on the funding during its build time. Once this new vehicle is in place for the Department, we will sell the current Rescue Truck and Engine 4 and use the proceeds to purchase a small SUV for the First Responders.

This past summer brought more devastating flooding to Vermont. Fortunately, Pittsfield was spared from the ravages of the summer storms. The Department and Town employees were vigilant during those weeks of rain and surrounding area damage to make sure that our Town, roads, and residents remained safe and damage/injury-free.

In closing, please remember to check your smoke and carbon monoxide detectors and replace the batteries! If you burn wood, please inspect your stove pipes and chimneys or have them inspected to be sure that you are burning safely!

Respectfully yours,

Chief David H. Colton

ROGER CLARK MEMORIAL LIBRARY

Roger Clark Memorial Library continues to grow in its mission to be "a multigenerational community center aiming to foster traditional, cultural, creative, current and technical literacy". Our library and community are made stronger by all of us, and we extend a sincere 'thank you' to all of you for your support.

Our normal hours of operation are Tuesdays from 10:00 AM to 6:00 PM, Thursdays from 2:00 to 7:00 PM, and Saturdays from 9:00 AM to 12:30 PM. This year, we have created a winter schedule to adjust for our wintry weather, and these hours are Tuesdays from 10:00 AM to 5:30 PM, Thursdays from 1:00 PM to 5:30 PM, and Saturdays from 10:00 AM to 2:30 PM. Both schedules total 16.5 hours per week.

Our book drop provides a convenient service for our patrons who wish to return books outside our hours. Visit our website (pittsfieldlibrary.com) to view our catalog, check out upcoming events, register for a Universal class, or sign up to receive our newsletter. We are in the process of rolling out Hoopla, a streaming service, that will be free to residents of Pittsfield. Through membership in the Green Mountain Library Consortium (GMLC), library card holders have access to digital and audiobooks using Libby, a multi-device application. Additional digital and audiobooks are available using Palace, another application. Contact the library via phone or email to get more information or to be set up to use these services.

Currently, our collection includes 3733 books, 450 DVDs, 17 Board Games, and 13 pairs of snowshoes. A library card to our library will provide access to our inventory and one can procure this card by stopping by the library and requesting one.

Our programming activities for this year included:

- Three Vermont Humanities speakers Rick Winston, Tim Weed, and Bill Mares.
- Tom Perera spoke on the Enigma Machine, and Cynthia Bryant spoke on financial life.
- Vermont Reads book discussion on this year's book, "<u>Last Night at the Telegraph Club</u>", facilitated by Rachael Cohen. Over 50 copies were distributed.
- Daughters of the American Revolution display in our library hallway.
- Summer Reading Program speakers included Jerry Schneider's Bat program, Rick Stromski's cartooning program, Rutland County Humane Society presentation, and a visit from the Vermont Museum of Natural History.
- Continuation of our seed library, Saturday morning Story Time, after-school lemonade & snack program, & weekly crafts for children.
- Stockbridge Pre-K class monthly visits for story time, a craft, and a snack.
- Annual events such as the Halloween book giveaway, Gingerbread House decorating, Bethel Project Happy Holidays, and the Silent Auction at the Pittsfield Bazaar.
- Monthly Book Club gatherings.

Board of Trustees Report

The Board of Trustees is appreciative of the support provided by our community and wants to acknowledge the work of our librarian, Diane Deutsch. She is the face of RCML to our patrons, young and old.

In fiscal year 22-23, RCML received \$70 in donations and \$1,230 from the 2022 silent auction.

We invite you to stop by Pittsfield's little library to enjoy its renewed appearance and to borrow a book or DVD. Patron donations over the years along with our town capital budget investment have made it possible to update shelving and some furnishings. We hope you enjoy these new surroundings.

RCML has focused on maintaining services to our patrons by:

- Continuing to enhance our collection of current lending materials
- Providing and maintaining 24 hr. wi-fi access services to the community both inside the library and outside on the green
- Providing a computer for patron use
- Providing museum passes

RCML is focusing on improving services to our patrons by expanding access to library content:

- Secured a grant to pay for half of the cost of the Inter-Library Loan courier service, thus enhancing our ability to respond more quickly to patron requests for books we do not own.
- Educating our patrons about how to access what is available to them through the Libby and Palace apps that give access to digital and audio books.
- Implementing Hoopla, a digital streaming service.

The library's monthly board meetings are typically held on the third Tuesday of the month at 5:30 in the library and the community is welcome to attend.

Respectfully submitted,

RCML Board of Trustees

2023 Pittsfield School Board Directors Annual Report

Since last March, the Pittsfield School Board (PSB) met regularly, with some appropriately noticed exceptions, on the second Wednesday of each month at 7 p.m. in or around the basement of the Town Office building. Agendas and minutes of meetings were also produced and posted as required by law. The PSB wishes to thank Trish Abbondelo for the invaluable and excellent work she does to make the School Board function and help assure a great education for our children.

Board members continued their core functions of producing a budget for your vote, paying the bills of the School District in a timely fashion after reasonable scrutiny to assure that Pittsfield pays only our fair share, attending and participating on our Supervisory Union Board and with Mountain Views Supervisory Union board meetings (Thank you Ray Rice!), and awarding the Jean Colver Sofield Award. The award is granted to a Pittsfield student who is college bound and has demonstrated a commitment to community service. Last year the district had no qualifying applicants.

As always, given our status as a district/town that does not operate a school but retains choice to pay tuition at the schools our children attend, Pittsfield's school budget is based on the number of children attending school, which school they attend, and costs of additional support our children may require. This upcoming school year we expect to have 49 pre-K-12 students. This year the PSB continued the process by which parents of students provided documentation of their legal address to the schools their children attended and the school board paid tuition based on that documentation. Thank you to those parents who completed the documentation.

For FY2025 the board proposes a total budget of \$1,014,593. Our average per-pupil expenditure is \$11,912. This results in a homestead tax rate of \$1.0737. Unfortunately, our Common Level of Appraisal (CLA — the difference between the town assessed property value and fair market property value) has dropped from 1.0368 to 0.8878. This makes the resultant homestead tax rate \$1.2094. As this report goes to press we cannot predict the non-homestead tax rate.

The PSB wishes to thank the Town for the opportunity to serve and we look forward to another year assuring our students get a great education with efficient, responsible fiscal oversight.

Respectfully submitted,

- Using the revised January 9th, 2024 Education Fund Outlook FY25 forecast, the FY25 education fund need results in a property yield of \$9,171 for every \$1.00 of homestead tax per \$100 of equalized property value, an income yield of \$10,227 for a base income percent of 2.0%, and a non-residential tax rate of \$1.452. These figures use the estimated \$13,000,000 surplus from the Education Fund. New and updated data will likely change the proposed property and income yields and perhaps the non-residential rate.

⁻ Final figures will be set by the Legislature during the legislative session and approved by the Governor. - The base income percentage cap is 2.0%.
