

BETHEL-ROYALTON TRANSFER STATION COVID-19 UPDATES

We are currently open reduced hours: Tuesday, Thursday, Friday and Saturday 7:00am-1:00pm.

PLEASE VISIT ONLY IF NECESSARY. WE ARE ONLY ACCEPTING TRASH, RECYCLING, AND FOOD SCRAPS!

If you **MUST** visit, please take the following precautions:

- Only visit if you feel healthy.
- Practice social/physical distancing by keeping at least 6 feet of space between people.
- Wear gloves.

Only bring:

- Trash, food scraps, and recyclables.
- Recyclables should be empty of liquids and clean.
- Trash must be contained in a bag. No loose trash.

Postpone visits for these purposes:

- **Spring cleaning.** Store this waste at home, out of the weather. The old TV, couch, bed or lawnmower that has been sitting in the garage or shed for a few months can wait.
- **Yard clean up.** If something was hanging out in your yard already, please let it spend a bit more time there, or start a backyard compost pile.

Payment Procedures:

We are NOT allowing customers in the office at this time. Please pay for bagged trash at the cashier's window **inside** the building. If you use the scale, please pay at the cashier's window **outside** the building. Please provide your own pen. Checks should be made payable to "Bethel-Royalton Transfer Station" or "BRTS". If you are paying with cash, please use the smallest bills possible.
