September 25, 2018

To The Residents and Voters of Pittsfield;

Pittsfield Volunteer Fire and Rescue would like to extend our sincere appreciation for all of the support that was shown to our department at the special town meeting on May 16th regarding the purchase of the new pumper-tanker truck. The contract has been signed to buy the new truck and we are excitedly moving forward.

We would also like to thank those that spoke up with suggestions on how to expand our fundraising in order to help offset the cost of much needed but very expensive equipment. We encourage anyone willing to volunteer their time and ideas for fundraising to please email us at PittsfieldFD@Gmail.com. Our monthly business meetings are the second Tuesday of every month. We welcome all volunteers willing to support our department in any way.

The department would humbly like to reach out to the residents and tax payers of Pittsfield for any donations you may be willing to gift to the department for the new truck. All donations can be made to Pittsfield Volunteer Fire and Rescue and will be placed in a reserve fund created by the department for the purchase of the new truck. We would be very grateful for any amount of support.

If you have any questions, please free to reach out to Chief David Colton 802-342-1289, Assistance Chief Greg Martin 802-770-2790, or Captain Caleb Hawley 802-353-0172.

Thank you for your support,

Pittsfield Volunteer Fire & Rescue
