

## CALL FOR VOLUNTEERS TO JOIN PITTSFIELD TOWN HALL CITIZENS ADVISORY COMMITTEE

At Town Meeting this year, Pittsfield voters supported the creation of a Citizens Committee as the first step in determining the future of one of our town's major community assets. Many townspeople have already responded by offering their time and/or expertise, but we are leaving membership open for anyone who wants to join the Committee.

The Pittsfield Select Board would like to get the Committee up and running as soon as possible. To that end, the Board has asked me to serve as interim Chair to help get the committee organized, provide history and background on the building's concerns and issues, familiarize members with the laws and procedures for conducting public meetings and discuss the scope of this Committee and a time table for its work.

These are the items that will form the agenda of our first meeting to be held at Pittsfield Town Offices on April 23, 2019 at 6:00 pm. If you are interested in serving on the Committee or just want to attend meetings they are open to the public. All agendas will be posted at least five days before each meeting.

Thank you in advance for your commitment and I look forward to working with you. The response to our request for help has been so overwhelming that we are very encouraged this endeavor will end successfully with a clear consensus on what we need to do with the building.

Sincerely,

Ann D. Kuendig  
Pittsfield Select Board
